3) Investment into Units

Units will be purchased by the ISA Manager at the price ruling at the valuation on the next dealing date following receipt of a valid application form and accompanying subscription.

4) Accounts and Statements

The ISA Manager will make arrangements for the Investor (i) to receive documentation relating to meetings of unitholders in the unit trust(s) the units of which are held within the ISA or APS ISA, and (ii) to attend and vote at such meetings.

6) The Investor's Rights – JISA only

The Investor has no rights associated with the management of the JISA until their 16th birthday has been reached.

Unless otherwise advised, the ISA manager will convert the JISA account into an "adult" ISA account on the Investor's 18th birthday. The Investor will be notified of the "adult" ISA Terms & Conditions.

7) Income Distributions – ISA and APS ISA only

All income distributions net of tax arising from the investment will be automatically reinvested in further units unless the Investor has elected to receive these as cash payments. Reinvestment will be made, at the price ruling at the valuation point on the next distribution reinvestment date, in the same Unit Trust and in the same class of units from which the distribution was received.

Cash payments will be made to the Investor's nominated bank account.

8) Income Distributions – JISA only

All income distributions, net of any tax arising from the investment, will be automatically reinvested, at the price ruling at the valuation point on the next distribution reinvestment date, in the same Unit Trust and in the same class of units from which the distribution was received.

9) Notice of ISA Charges

The Investor will pay those charges associated with the Unit Trust(s) held in the ISA, JISA or APS ISA.

The ISA Manager will deduct an annual administration fee, being £22.50 plus VAT per Unit Class per Unit Trust. The ISA Manager reserves the right either to increase the administration fee annually in line with inflation (UK Retail Price Index), or to waive the fee.

The administration fee will be applicable, in full, to any plan administered by the ISA Manager for all or part of the tax year. The fee will ordinarily be applied in two installments during the relevant tax year, however the ISA manager reserves the right to apply the fee at any time. The fee will accrue on the plan and the ISA Manager will sell investments to pay the fee.

The ISA Manager will notify the Investor in writing if by reason of any failure to satisfy the provisions of the Regulations, the ISA, JISA or APS ISA has or will become void for the purposes of the Regulations.

11) Termination and Withdrawal – ISA and APS ISA only

Upon the Investor giving written notice to the ISA Manager, all or part of the investments held in the ISA or APS ISA and proceeds arising from those investments shall be transferred or paid to the Investor, subject to the payment of any outstanding fees and charges to the date of termination or withdrawal. The Investor may stipulate a time within which such termination and withdrawal should take place. The period the Investor specifies must be no less than thirty days.

On the death of the Investor the ISA and/or APS ISA will lose its ISA status. This means the tax benefits of the ISA will cease. The Investment will continue as a Unit Trust holding until the required evidence of death and instructions from the personal representative of the deceased is received.

On termination or withdrawal, units will be realised by the ISA Manager at the price ruling at the valuation on the next dealing date following instruction by the Investor.

The ISA Manager will be entitled to request that the Investor instruct the transfer of the ISA or APS ISA at any time on one month's notice.

12) Termination and Withdrawal – JISA only

Withdrawals from or closure of the account are prohibited before the Investor reaches the age of 18, unless (a) the Investor dies, (b) a claim for terminal illness has been made on behalf of the Investor and agreed in accordance with the Regulations or (c) the account is closed upon the direct instructions of HM Revenue & Customs.

On the death of the Investor the JISA will lose its JISA status. This means the tax benefits of the JISA will cease. The Investment will continue as a Unit Trust holding until the ISA manager receives the required evidence of death and instructions from the personal representative of the deceased.

On termination units will be realised by the ISA Manager at the price ruling at the valuation on the next dealing date following instruction by the Registered Contact, or if applicable, the Investor.

The ISA Manager will be entitled to request that the Registered Contact instructs the transfer of the JISA at any time on one months' notice.

13) Transfer to another Individual Savings Account or Junior Individual Savings Account

The Investor or Registered Contact will have the right at any time, by notice in writing to the ISA Manager, to transfer the ISA or JISA with all rights and obligations to another Individual Savings Account Manager.

When giving instructions for a transfer the Investor or Registered Contact may stipulate a time within which such withdrawal should take place. The period the Investor or Registered Contact specifies must be no less than thirty days.

14) Transfer to another Additional Permitted Subscription Individual Savings Account

Once an APS ISA subscription has been made with McNroy & Wood Portfolios Ltd, the investor will have the right at any time, by notice in writing to the ISA Manager, to transfer the APS ISA to another Individual Savings Account Manager. However, any unused balance of subscriptions (up to the value of the deceased's ISA as at the date of death) **cannot** be transferred to another Individual Savings Account Manager and can only be taken out with McNroy & Wood Portfolios Ltd.

When giving instructions for a transfer the Investor may stipulate a time within which such withdrawal should take place. The period the Investor specifies must be no less than thirty days.

15) Beneficial Ownership

All units within the ISA, JISA or APS ISA will be, and must remain, beneficially owned by the Investor and not used as security for a loan. All subscriptions made to a JISA are deemed to be gifts to the Investor and cannot be repaid to the subscriber.

16) Investment Records

All units within the ISA, JISA or APS ISA will be registered jointly in the name of the ISA Manager and the Investor. No unit certificates will be issued.

17) Outsourcing

The ISA Manager may outsource any of its operational functions under these Terms and Conditions to third parties. The ISA Manager will satisfy itself that any person to whom it delegates any of its functions or responsibilities under the terms agreed with the Investor is competent to carry out those functions and responsibilities.

18) The Investor's Eligibility

The Investor or Registered Contact shall immediately notify the ISA Manager if at any time the Investor ceases to qualify as an Investor under the Regulations. No further ISA, JISA or APS ISA subscriptions will be accepted if the Investor ceases to be entitled to invest under the Regulations.

19) The ISA Manager's Liability

No warranty is given by the ISA Manager as to the performance or profitability of the ISA, JISA or APS ISA.

The price of units in a unit trust, and the income arising from them, can go down as well as up.

20) The Investor's Cancellation Rights

The Investor or Registered Contact has the right to cancel the Stocks & Shares ISA, JISA or APS ISA within 14 days from the date on which it comes into effect, by writing to the ISA Manager. This right is conferred by the Financial Services and Markets Act 2000. In the event of such cancellation, an Investor or Registered Contact making a lump sum payment will receive back, at the date of the ISA

Manager's receipt of the cancellation notice, the amount invested less the amount (if any) by which the value of the ISA, JISA or APS ISA has fallen. This means that if the value of the underlying investments has fallen the Investor or Registered Contact will get back less than they invested.

If the cancellation is in relation to an APS ISA allowance previously transferred from a third party ISA manager, the APS ISA allowance cannot be transferred to a different (third) ISA Manager.

21) The ISA Manager's Rights

The ISA Manager shall be entitled in its absolute discretion to terminate the ISA, JISA or APS ISA if it considers it impracticable to continue having regard to the Regulations, or if the Investor is in breach of any provisions listed here in these Terms and Conditions. The ISA Manager shall not be liable for any loss, liability, claim or damages suffered by the Investor as a result of the exercise by the ISA Manager of such discretion.

The ISA Manager has the right to amend these Terms and Conditions upon giving one month's written notice to the Investor or Registered Contact, or on immediate notice if required to do so by any competent regulatory authority, provided that such variation or amendment does not result in the ISA, JISA or APS ISA ceasing to qualify under the Regulations.

22) Assignment

The ISA, JISA or APS ISA cannot be assigned, i.e. transferred to another person.

23) Conflict with Regulations

Where provisions are not otherwise stated, or are in conflict with the Regulations, the Regulations will apply.

PERSONAL INVESTMENT MANAGERS

KEY INVESTOR INFORMATION

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and risks of investing in this Fund. You are advised to read it so that you can make an informed decision about whether to invest.

McInroy & Wood Emerging Markets Fund Personal Unit Class

This Fund is a UK authorised unit trust managed by McInroy & Wood Portfolios Limited (“the Manager”).

Objectives & Investment Policy

The investment objective of the Emerging Markets Fund is to grow the real value of investors’ capital and income. Investments will primarily be in companies operating or incorporated in developing countries. An equal emphasis will be placed on the generation of income and on capital growth. Real value is defined as the value of capital and income after adjusting for the impact of inflation. The UK Retail Prices Index is the measure of inflation used by the Manager. The investment should be held for a minimum period of 3 years. Investors should be aware that their capital is at risk.

The Fund has discretion to invest in quoted securities and fixed-interest bonds in any geographical areas and any economic sectors.

Its constitution enables investors to pool their resources so as to secure the benefits of scale and obtain access to a range of ordinary shares, fixed-interest securities and other investments. Such a diversified portfolio might well be impracticable for them to assemble individually.

Essential Features of the Fund

- Units can be bought and sold daily on a forward price basis.
- Unit prices are based on the value of underlying net assets at 12.00 midday (“the Valuation Point”).
- Minimum initial and subsequent investment is £1,000 and minimum monthly regular investment is £100.
- Income from the Fund may be distributed in cash or added to the value of your investment.

Please note that the Fund has not been registered under the applicable US acts and may not be sold in the US or to a US person if it were to contravene US securities laws.

Risk & Reward Profile

Lower risk

Typically lower rewards

Higher risk

Typically higher rewards

- This indicator shows how much a fund’s price has risen and fallen in the past and therefore how much its returns have varied: it is a measure of the fund’s volatility. The higher the past volatility, the higher the number on the scale. The lowest number on the scale does not mean that a fund is risk free.

- The Fund's classification reflects the nature of its underlying investments which include the risks noted below.
- This indicator is based on historical data. It should not be used as an indicator of the Fund's future risk profile. The risk and reward profile shown is not guaranteed to remain the same and may shift over time.
- The Fund has no capital guarantees: the value of units, and the income from them, may go down as well as up. Changes in the rates of currency exchange may cause the value of units to fluctuate.
- When you cash in all or part of your investment you may get back less than you put in.
- Inflation may decrease the real value of capital.
- Investment in emerging markets can be subject to risks not normally associated with developed markets and vice versa.
- More information about risk may be found in the Fund's Prospectus under "Risk Warnings".

The charges you pay are used to pay the cost of running the Fund. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	None
Exit charge	None
Charges taken from the Fund over the year	
Ongoing charges figure	1.33%

The annual management charge is deducted from capital rather than income. Future capital growth may be constrained as a result.
